

Let's Start a Recovery Epidemic!

The Volusia Recovery Alliance, Inc. (VRA) is a grassroots not-for-profit education and advocacy Recovery Community Organization (RCO) committed to furthering the message that recovery is possible for anyone who desires a life of wellness.

**Purpose:** Coordinate peer driven services that provide substance use recovery resources.

**Mission:** We exist to serve all those seeking recovery from the impact of addiction including families, friends and allies.

**Vision:** We work to mobilize resources, reduce barriers, increase awareness and support in an effort to eliminate stigma and enhance recovery through multiple pathways.

The Volusia Recovery Alliance is a strong, committed and diverse network of allies and individuals in recovery who are actively engaged in efforts to:

- ◆ Eliminate the stigma of substance use disorder
- ◆ Build a vibrant recovery-ready community
- ◆ Represent the voice of recovery, and those individuals impacted by addiction
- ◆ Promote harm reduction via our New Chance NarCAN Response and Rev outreach committee
- ◆ Serve as a local FL Department of Department of Children and Families approved Narcan distributor

Let's make Volusia County a recovery friendly place to live. Please help us eliminate stigma, promote an understanding of Substance Use Disorder as a chronic brain disease, and provide more recovery supports.

#### **HOW YOU CAN HELP:**

- ◆ Support legislation such as SB130 to change background check barriers. People in recovery change and are productive members of society!
- ◆ Share recovery stories and spread the word that recovery is possible.
- ◆ Fight Substance Use Disorder discrimination—this is a brain disease not a moral deficiency.
- ◆ Use destigmatizing language—take the Substance Abuse and Mental Health Services Administration (SAMHSA) recovery language audit and adjust accordingly.
- ◆ Attend our monthly meetings to get involved and make a difference.

Let's Start a Recovery Epidemic!

Our strategic plan addresses the following priorities:

- ◆ **Public Education and Awareness**—Provide education about substance use disorder, prevention and recovery.
- ◆ **Peer-Based Recovery Support Services**—Facilitate access to quality recovery through outreach and engagement to those who suffer for the effects of substance use disorder
- ◆ **Financial Sustainability**—Utilize RCO funding to expand integration of recovery resources and community-based support services
- ◆ **Accreditation Readiness**—Create policy and procedures that fulfill domain requirements for Council on Accreditation of Peer Recovery Support Services (CAPRSS) accreditation
- ◆ **Leadership Development**—Build Organizational Development to create and sustain existing programs and achieve the initiatives outlined in the mission and vision of the Volusia Recovery Alliance.

Volusia Recovery Alliance is growing along with the substance use crisis in Volusia County. We have many of volunteer opportunities such as Narcan distribution, committee participation, data collection /input and clerical help. Please consider giving us your time, talent and financial support as we work to make Volusia County a recovery friendly place to live.
